# Introduction

Chugai Pharma UK Ltd. and Chugai Pharma Europe Ltd. will occasionally work with a Patient Organisation and payments made will be disclosed via the company website. Details will be given as to the Patient Organisation, the nature of the engagement, the amount paid and a percentage this payment represents of the annual income of the patient organisation. This information will be updated annually and made available for the previous three years. If the payment was for consultancy work undertaken by an HCP, working on behalf of a Patient Organisation, then the payment will be disclosed twice (on the Chugai website as a payment to a Patient Organisation and on the ABPI or IPHA transparency portals as a payment to an HCP. Each Patient Organisation, with whom Chugai has worked with, is encouraged to disclose all payments in the most transparent manner.

The amounts indicated represents payments made in the UK and Ireland for each calendar year. The data has been sourced from all Chugai businesses in the UK. The amounts indicated excludes money spent by our partners where we co-promote products. The amounts shown are exclusive of VAT and taxes, where this is applicable.

Roche Products Limited and Chugai Pharma U.K. Ltd. have in place a co-promotion agreement for a Prescription Only Medicine (POM). To ensure both companies adhere with the ABPI requirements, each company will independently disclose payments associated with this co-promotion.

For further information, Chugai's methodological notes on Disclosure can be found [here](#).
